- Olivia's Montessori Preschool offers exciting weeklong workshops for children ages 3 to 9 years old. Each day will include interactive outdoor play, lunch on our shady deck, stories, puppet shows, crafts, games and lots of fun! Relevant classroom materials are provided each week for the workshops.
- Project days are Tuesday, Wednesday and Thursday. We offer a three-day program for Project Days.* Monday is Outdoor Wheel Day. The children play with wagons we provide, or whatever they choose to bring from home. A special part of Friday is Show-and-Share. Children are invited to bring an item of interest to share with the class.
- Thursday is cooking day and community service. A small group of children bring ingredients from home and help to assemble lunches. (Grilled cheese, hot dogs...) The older children spend the afternoon making crafts, playing board games and on Friday they take turns bringing a child friendly movie from home.

Welcome to Olivia's Montessori School Summer Camp 2010!

If you would like to enroll in the Summer Camp please send a \$25 registration fee (after April 15th the fee is \$35). This fee will help to cover the cost of paints, crafts, etc.

- Please arrive between 8:15-8:45 (unless you are enrolled in before school care)
- Children arrive at school daily with a reusable sack with their lunch. Nothing else is needed. Please leave toys, lunchboxes, stuffed animals, backpacks, gum, candy, excessive jewelry, etc. at home.
- Please do not send lunchboxes, thermos, drinks, utensils, or medication in the lunch bag. Because the staff eats lunch with the students, microwave lunches are prohibited. The staff needs time to eat too! At school we are all dedicated to the importance of healthy eating. Please do not send the following items in your child's lunch; candy, potato chips, pudding, jello, ice cream, iced cookies or any other junk food.
- We provide 100% fruit juice or water. Please do not send any liquids to school.
- If you arrive before school begins at please wait in your vehicle until 8:15 when school begins.
- Please send your child to school each day with **sunscreen and mosquito spray** already applied. THIS IS IMPORTANT!
- Tennis Shoes act as a playground pass. No sandals please. They don't offer enough protection! Children wearing sandals sit on the sidelines ☹.
- Monday: Wheel day. We block off our driveway and the children play with wheel toys. You are invited to bring wheel toys and a helmet from home.
- Friday: Show and Share. Your child is invited to bring a toy that they will share with the other children. Please label all toys.
- When a parent arrives, it is time for the child to go home.

I hope this doesn't sound like too many rules, however.....if I have children with broken toes, influencing the others to eat junk food and the children are all arguing over personal items brought from home....I won't have a lot of fun with the children this summer. I want to have tons of fun!

Thank you for your support.
